To Whom It May Concern;

I have worked in the Carpet & Restoration business for over 20yrs. In all those years Summit Restoration is the most organized & professional company I have ever worked with. They have every piece of equipment to get the job done right.

Will Dellaechaie (Owner) and his employees are very reliable, honest & competent. Although I do restoration work myself, I refer Summit to any jobs I may not be able to get to. Will is always helpful, answers questions and gives me advice when I need..

Please contact me at (702) 798-5910 if you need anymore information. Thank You
