

To Whom It May Concern:

On 5/15/12, I had a water loss at my home. Summit Restoration was referred to me by Bret Anderson of Travelers Insurance.

From the moment they arrived, I was impressed by their professionalism and knowledge. They assessed the damage to my property in short order, explained in detail what work needed to be performed and started immediately.

They took great care in addressing any of my concerns and completing their work in a timely manner.

They really do deliver on their slogan, "Specializing in Customer Service!" I would highly recommend them to anyone in need of their service.
