Dear Friends of Summit Restoration:  
(Las Vegas)

It is with great pleasure that we have people who are willing to help and support Cimarron-Memorial High School volleyball program. For the past year, Summit Restoration has proven to be an outstanding company to the community. They have shown that their company values customer service, hard work, and dedication with Cimarron-Memorial High School.

This year we continue to honor Summit Restoration for going "Beyond the Best"! Our volleyball coaching staff continues to appreciate the setting-up & breaking down of the equipments (Fans, Air-blowers) and the customer-services that they have provided for Cimarron-Memorial High School volleyball program. During our summer volleyball camp, we could not have done it without Summit Restoration that providing fans and air-blowers to keep the gym cool. We appreciate everything that Summit Restoration has done for Cimarron-Memorial High volleyball program!

Thank you,

Jamie Charles
