Las Vegas, NV 89139

Dear Will,

The COVID-19 pandemic has had a profound impact on the fire and EMS services in Nye County.

I write to thank you for “stepping up” and offering your complimentary service to help assure the health and safety of our fire and EMS crews in Southern Nye County during the pandemic.

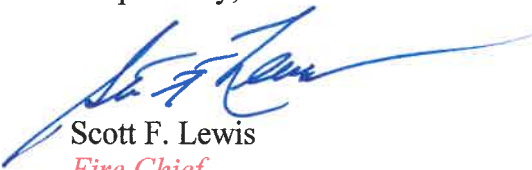

Over the past several months, Pahrump Fire-Rescue and Nye County emergency responders have been responding to suspect COVID-19 related incidents and providing care to patients who had been confirmed COVID-19 positive.

Therefore, we have had to embrace a “new normal” in preparing for and responding to such incidents. Summit Restoration filled a critical gap in helping us achieve our objectives of personnel safety by ensuring sanitization of our emergency vehicles.

I cannot express how appreciated my crews and I were of your generosity and “thank you” hardly seems enough.

If there is anything that Pahrump Valley Fire-Rescue Service or Nye County can do for you, please do not hesitate to call upon us.

Respectfully,

Scott F. Lewis

*Fire Chief*
