RE: Bullhead City Fire Station COVID Neutralization

Travis,

The Bullhead City Fire Department would like to thank you and your entire team at Summit Restoration for the generosity provided in decontaminating all five of our fire stations on November 18, 2020. In the uncertain times we are in, knowing we have a clean and sterile work environment for our fire fighters is essential in the continuity of our service. Summit Restoration is a true steward of the community and a model that all businesses can pattern for the greater good of the people we serve.

Yours In Life Safety,
